International Campaigns to Support the Lubicon Lake Cree Nation

Lubicons get an ally

Alberta's Lubicon Cree have an ally in Austria. The Austrian Parliament yesterday passed a resolution requesting that the Austrian government use its influence with Canadian authorities to help find a solution to the Lubicon land-claim dispute with the Canadian government.

The 500-member Indian band, led by Chief Bernard Ominayak, has been seeking a settlement of its land claim for about 50 years. Negotiations have been at a standstill for more than a year. The Lubicon settlement is 345 km northwest of Edmonton.
