tokiyia tunkasilia wopila ewakiu li me yia mato gleska he yia me yia..chumpai opi omatiwauia. (before any thing is said.. we always thank CREATOR FIRST-- MY NAME IS LAKOTA NAME IS BEAR WOMAN MY ENGLISH NAME IS JOANN SPOTTED BEAR I DO COME FROM WOUNDED KNEE.. I AM A DESCENDANT OF THE LITTLE BIG HORN and Wounded knee Massacre of 1890-descendant of the american Holocaust of 1890 World war 1 and 2.

Corruption is an international problem for Indigenous Peoples. We all suffer from corporate exploitation of natural blessings protected by Indigenous Peoples. Colonial powers often install corrupt officials who are paid by corporations to disenfranchise Indigenous Peoples by undermining traditional governments. Colonial-backed indigenous leaders may be bribed, coerced, or intimidated into taking resources from Indigenous Peoples. On behalf of Indigenous Peoples of the world, I **demand accountability and transparency so indigenous governments can end colonial corruption.** Indigenous Peoples and original nations of the Western Hemisphere are free from foreign legal systems, especially those based in Europe.

We recommend that the PFII members:

1. Work with ECOSOC to integrate the needs of Indigenous Peoples governments into all UN processes so Indigenous Peoples' governments can hold colonial governments and their corporations accountable for violence against Indigenous Peoples and our ecosystems.
2. Promote respect for the rule of laws of nations, which prevents the imposition of the European legal system, including the myth of discovery, on any other continent besides Europe.
3. Promote reciprocity, so when European legal systems are imposed on non-European continents, Europe must allow the imposition of laws from other continents on Europe. This promotes reciprocity and the reparations necessary to equip us all to meet the climate crisis.
4. Build capacity, through research, training, and implementation, for indigenous governments to effectively investigate, document, and prosecute corruption rings appropriating the benefits of indigenous natural, spiritual, cultural, economic, and political blessings. We ask the PFII members to study and document corruption and explore methods of promoting accountability and transparency, while equipping indigenous and customary governments to advance our own time-tested legal processes to end CORRUPTION.
5. We ask the PFII to demand of the UNITED NATIONS GENERAL ASSEMBLY, to ensure equality between the governments, States, religious groups, throughout the world, for the full benefit of all the children, women and the men, that a declaration of Peace be decreed and all wars, religious war and conflicts world-wide cease and desist immediately. We ask the PFII to ask the UN to make a binding Convention treaty to stop corporations from killing humans, especially women and children.

WHEN THE LAKOTA WENT UP AGAINST THE FEDERAL GOVERNMENT MY FATHER WAS A COP. today i am a law Advocate- a Asst judge to Rudy James, and a private attorney General Davidlee Buess. coming from WOUNDED KNEE and one of the 7 family that stayed in wounded knee after the death of our family members.and, i am one of those that have survived. the brutal attacks of gun, wars and deaths of my Tetuwan oyate people.(pls do not let me for get the 1973 American Indian movement commonly known as the AIM days.-- survivor do NOT GET ME MIXED UP I AM NOT AIM--

I AM ORIGINAL, NOT ABORIGINAL I am not asking for anything I am demanding \$ 630 billion per office REPERATIONS for neglected Treaties. because OF THE LAND AND DEATH OF MY PEOPLE, and Family of this Nation, based on fact of the document provided. UNITED STATES FEDERAL GOVERNMENT.. in Montana and the Wounded knee 1890 Massacre of 300 men, women and children, and only 7 family's stayed behind.. also the 1973 Wounded knee occupation.whereas my father was a Cop and walked off his job.and ON my mother side. Chief Running Hawk and 7 other went to WASHINGTON DC. TO SIGN THE PEACE TREATY.

This is one of many efforts to the United Nations and The people of the world, including the documentation of abuse of onerous fiduciary duty. Commonly known as a great white lie.threw sovereignty immunity trust powers. the first time America was Bankrupt was 1492 and we need colonial powers to work for restoration.

THIS IS REALITY NOT A FABRICATION AS DOCUMENTS proof of legal word of bond.and honor.

BUREAU OF INTERIOR BUY BACK LAND PROGRAM and the whole entire employee staff of The Department of the Interior and HARRY REID .in WASHINGTON D.C., the District of Columbia and Tribal Nations to Manage \$1.9 BillionTrust Land Consolidation Fund is CORRUPT and we demand accountability and transparency.

Legal Maximum: "it is a fraud to conceal a fraud."

Where does the 4 time Broke Bankrupt corporation called US get off on Making rules to create harm on to Native America indians using the, 1924 Indian Citizenship Act (43 U.S. Stats. At Large, Ch. 233, p. 253 (1924)

"WE DO NOT CONSENT" 564 FEDERAL TRIBAL MEMBER DO NOT CONSENT THE Keystone XL Pipeline or the sales of illegal selling of land or abuse of sovereign Immunity Powers to the oath of officers while working for a de facto broke 4 times government on our Red Nation Land, or abuse of onerous fiduciary trustee powers.

The text of Article 6 of the US CONSTITUTION is as follows:

"All Debts contracted and Engagements entered into, before the Adoption of this Constitution, shall be as valid against the United States under this Constitution, as under the Confederation.

This Constitution, and the Laws of the United States which shall be made in Pursuance thereof; and all Treaties made, or which shall be made, under the Authority of the United States, shall be the supreme Law of the Land; and the Judges in every State shall be bound thereby, any Thing in the Constitution or Laws of any State to the Contrary notwithstanding.

The Senators and Representatives before mentioned, and the Members of the several State Legislatures, and all executive and judicial Officers, both of the United States and of the several States, shall be bound by Oath or Affirmation, to support this Constitution; but no religious Test shall ever be required as a Qualification to any Office or public Trust under the United States"

The fraud, deliberate withholding of information to cause one to act to his detriment, is this: In all their legislation they fail to define what the United States is.

We are asking to suspended Immunity Powers that fully took advantage here and were neglected on the highest level of crime between the benefactor and beneficiary. Apostolic Letter of Pope Francis! be placed immediately without hesitation.

We demand the immediate release and access to of our CESTA QUE VIE TRUST ACCOUNTS AKA ONE PEOPLES TRUST ACCOUNT(S) . THEM TREATY ARE THE DEEDS TO THE LAND.

FEDERAL RESERVE and the FEDERAL RESERVE ACT, a private banking bill, and their counterfeiting ring because they are making money off our land. Do the Mineral right such as GOLD -OIL- URANIUM- PINE TREES OAK TREESon indigenous land. because there is no Bill of sales of the Land on which US corporations. Nor was this land bought because you cannot sell Pachamama.

No land is for sale according to TREATIES OR THE CONSTITUTION. AND A ACT IS NOT A LAW BUT A DEATH SENTENCES TO NATIVE AMERICAN INDIAN TO FRAUDULENTLY. TAKE OUR LAND

A TREATY REPRESENTATIVE FOR THE TETUWAN LAKOTA SIOUX PEOPLE UPHOLDING LAWS OF THE TREATY.

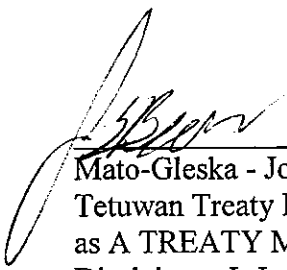

AND ALSO

On top of this you want to buy my land in Wounded Knee, A HISTORICAL LANDMARK OF 1890 WHERE MY FAMILY AND PEOPLE WERE KILLED, BY THE UNITED STATES BROKE DE FACTO GOVERNMENT!! are you crazy, wait considering washington D.c, the white house was prison i think that explain this whole Fantasy of owning our land without paying for it or avoiding the blasphemy of truth .

the Interior gets paid \$630 billion a year to make sure laws are obeyed and so does the Department of Bureau of Land Management in the amount of \$70 billion a year to uphold laws and that also means Treaty Laws.

I AM SEEKING \$ 630 billion for the Neglect of Onerous Fiduciary Duty of Treaties and trust on every level. once CONTAMINATING, the WATER, LAND, and HUMAN RIGHTS TO LIVE..

- to protect critical natural blessings and infrastructure, partially paid for with savings achieved through administrative efficiencies.
- • Promote job creation and economic growth by conserving landscapes and promoting outdoor recreation in national parks, refuges
- Fund programs to support land conservation and resource protection, through our INDIGENOUS GOVERNMENTS!

In the case of Yamasi People, our identity is appropriated by corporations claiming to be governments giving benefits of indigenous blessings to Yamasi, but in reality, they take those resources and use them to attack Yamasi, who lack food, shelter, health care, education and safety. Yamasi suffer from systematic assault, rape, torture, kidnapping, incarceration, and murder because the colonial power claiming title to our land, the US, thinks that if it employs a paramilitary organization to represent us and violently silence us, it can extinguish our original title. This is not the case. All Indigenous Peoples and original title-holders living where the US claims title still have our original title, whether they are in relationship with the US Bureau of Indian Affairs or not. Yamasi defeated the US military in alliance with Indigenous Peoples. However, the US continues to represent itself as title-holder to a portion of North America illegally.

All Indigenous Peoples of the Americas are free from US claims to jurisdiction in the western hemisphere because Yamasi, among others, defeated the US militarily and the US defrauded Yamasi, among others, and never negotiated and implemented the peace treaties in accordance with the laws of nations. All Indigenous Peoples of the Americas govern independent of US authority, in accordance with current international rule of law and the laws of our respective continents, which respect life. This example of US corruption, creating fake 'tribes' to represent independent Indigenous Peoples, is a threat to global security as it undermines the rule of law. Now as we face climate crisis, the international community must act to call colonial powers to account for fraud and corruption that prevents the rule of law from facilitating international environmental agreements, as does this example of US corruption.
