Projet de lettre.—Draft.

Hotel des Familles,
Geneva.

Sir,

I have the honour to acknowledge receipt of your letter of August 28th.

You will remember that on August 14th, in reply to your request that the question which interests you should be brought to the notice of the League of Nations, I had the honour to inform you that I had no authority to do so except at the request of a member of the League.

You will therefore, I think, readily understand that it would not be in order for the Secretariat, which is a purely administrative body, to give information unless ^{instructed} ~~authorised~~ to do so on questions concerning any correspondence between members of the League.

I have the honour to be,

Sir,

Your obedient servant,

SECRETARY-GENERAL.
