GENEVA, May the 3rd, 1923.

S

Sir,

I have the honour to forward, herewith, a copy of a letter and enclosure addressed to me by the Netherlands Government.

In view of the request made in this letter by a member of the League, it will be my duty, in accordance with the established precedent, to circulate these documents in due course to the Members of the Council.

Before doing so, however, I should be very grateful if the Canadian Government would inform me whether it desires that any observations on its part should be communicated simultaneously with the documents in question to the Members of the Council.

I have the honour to be,

Sir,

Your obedient servant

Secretary General.

To the Minister of External Affairs,

OTTAWA (Canada)
