TO SUPREME JUDGE OF THE WORLD:

On behalf of the Hmong Nation, we are asking for your help to intervene the killing of our Hmong Indigenous brothers and sisters in Laos immediately.

For nearly 30 years now(1975-2004) Lao President Khamtay Siphandone and his regime have murdered over 100,000 Hmong innocent people. This is happened in a hidden zone called ( XaySombune Special Zone or killing Zones) in Laos. This is prohibit for the world to go investigate. It is the worst genocide in decades beside the *Cambodia's killing field and the Jews Holocaust in the world.*

Wives are raped in front of husbands, many women are reported having sharp bamboo sticks through their vagina and let breed to death; children are grab by the feet and bashed against trees or have their heads put in to the rice grinder machines; men who are captured are having their penis cut off and put to in to their mouths, *according to the Fact Find Team,(www.factfinding.org) testified in front of U.S. Congress Feb. 5, 2002.*

Lately since Sept.11, 2003 Lao President Khamtay Siphandone and his regime has used 200 Vietnamese troops to combine with 800 Lao troops to genocide our Hmong Race, at Hoy Ma village ( near former U.S.radar station Mt. Phati, HounPhane Province, northern Laos), which two UN members ( Swedish and Canadian) had withdraw from the areas. ( Led by Vietnamese Lieutenant Yong Ngao, Lao name General Kham). Over 250 women and children were killed in a brutal way and five people were hung to the trees.

Laos, a member of UN, it has violated international laws, by using foreign Vietnamese troops and using biological weapons to kill its own citizens. I am regret to point that Laos is not only a threat to the Hmong Nation, but a threat to the UN SECURITY COUNCIL and A THREAT TO PEACE.

As an indigenous people, we strongly believe that Independence is the only way to self-determination and to free our people from being persecuted by other government. Therefore, we would like to ask for your advice on how to put our status on the UNPO and to become a member of the organization.

Thank you for your consideration and advice.

Respectfully Submitted,

Mr. Yang Cher Yeng  
President of World Hmong Peoples Congress
