RE: THE STATEMENT OF HAI //OM SAN INDIGENOUS PEOPLES IN NAMIBIA.

The Hai //om San ever since Independence of Namibia is excluded from all development programmes of the Namibian Government.

The land of Namibian Hai //om San Indigenous people's , was dispossessed . Ever since this peoples are landless . Namibian Government discriminating the Hai //om San ever since Independence and up to now . During the time of Covid -19 , Government has put no measures in place , Which could have assist and enable us to sustain this serious and dangerous disease . No International or UN declarations are protected or respected on behalf of Hai //om San of Namibia.

Hai //om San are not assisted by Government in following developmental needs. Land , Education , Health and Health care , ration , UN Human right are not respected . Namibian Government have impoverished the Namibian Hai //om San Indigenous peoples. Therefore , HBCDO , Would like to make a serious and urgent call , to UN to intervene and negotiate the next .

1: Protection of Health and Health care of Indigenous Peoples Right ,

2: Returning of dispossessed land Etosha National Game Park.

3:

Respect and promotion of all Indigenous Peoples Rights rations as serious and Immediate need for Hai //om San of Namibia by Namibian Government .

3: Fair compensation of Germans to Hai //om San on Genocide.

4: Namibian Government not to take the compensation funds of Hai //om San for Genocide.

5: Namibia Government Discriminates against Hai //om San , And should be requested to comply with International standards of Un Declarations on Indigenous Peoples HBCDO needs UN to encourage the donor agencies to funding the Indigenous peoples NGO . H.B.C.D.O than only Hai //om San will be self reliance.

Finally H.B.C.D.O would like to request Expert Machanism to place H.B.C.D.O statement on UN Web , As a need of urgency.

Best Regards
HBCDO Director
