FOREWORD	05
INTRODUCTION	07
CHAPTER I	
What are land rights defenders fighting for?	
Introduction to the context of land disputes	17
– The context of “land rush” and land disputes.....	20
– The protection of access to land under international and regional human rights law	26
– The legal context in countries in which land disputes are prevalent: insecure land rights, poor land governance and inequalities	35
CHAPTER II	
The multiform harassment of land rights defenders.....	43
– Threats and infringements on physical integrity: threats, assaults, killings and enforced disappearances	45
1. Threats.....	46
2. Assault	50
3. Killings.....	54
4. Enforced disappearances	57
– Judicial harassment, criminalising laws and other restrictions.....	59
1. Judicial harassment	59
2. Criminalising laws and other restrictions.....	73
– Slander.....	78
– Illegal surveillance	81
– Impunity for the repression of land rights defenders	84
1. Weak judicial system and law enforcement	85
2. Impunity and collusion between actors of repression	87

CHAPTER III

Overview of mechanisms available to land human rights defenders in case of harassment	89
– National and international mechanisms dedicated to protect – and prevent violations against – land human rights defenders	91
1. At the domestic level: mechanisms aimed at protecting human rights defenders	91
2. International and regional independent expert bodies dedicated to the protection of human rights defenders	94
3. European Union and OSCE/ODIHR tools on the protection of human rights defenders	103
– General human rights recourse mechanisms available to land human rights defenders	105
1. International and regional quasi-judicial bodies which may be used to hold States accountable for the harassment of land human rights defenders	105
2. Regional judicial bodies which may be used to hold States accountable for the harassment of land human rights defenders	112
– Corporate accountability for human rights violations against land human rights defenders	116
1. Host State courts	116
2. Home State courts through extra-territorial obligations	116
3. Dispute resolution mechanisms of the OECD	119
4. International financial institutions and their complaint mechanisms	123
